

Annual Greeting from Your Board of Directors

We're excited to share our major accomplishments from the past year and sincerely thank you for your continued support. We could not succeed in delivering our important programming to cardiac kids without the commitment of our sponsors, donors, volunteers, and event participants.

With your help in 2016 we successfully:

- [Introduced](#) “Vivid Q,” the new **\$80,000** portable ultrasound machine we funded for the **Stollery Children’s Hospital** to make heart assessments and prescribe quicker and more effective treatments. **Treasure Life President Charlene Jenkins** is interviewed by reporters in this photo taken at our media event in June.
- 
- **Donated \$15,000** to the **Stollery** to purchase vital monitoring tools so cardiac children can return home sooner after their procedures
 - **Raised \$29,000** at the **9th Annual Golf Classic** to support major initiatives including our very popular **Treasure Bead program**.
 - **Expanded** our **Treasure Bead Program** from the **Stollery** to **Edmonton’s Royal Alexandra Hospital**; we’re delighted to welcome a third partner - **Edmonton’s Misericordia Hospital** - to the program this month
 - **Raised \$2,600** at the **5th Annual Skate for Cardiac Kids** for program development
 - **Created and launched “My Treasure Log”** - a new children’s activity book for heart patients at the Stollery
 - **Raised \$79,000** by completing volunteer casino shifts at Edmonton Casino
 - **Raised \$800 dollars** at an inaugural charity senior lacrosse game in Beaumont
 - **Donated \$4,000** at the **Stollery’s Snowflake Gala** event
 - **Reached almost \$320,000 in donations to date** for Stollery Children’s Hospital

Our 2017 events are coming up quickly, and we invite you to be part of them. Your participation is greatly appreciated, whether you like to skate, golf, or simply volunteer. Consider getting involved by becoming a sponsor or offering prize donations for our fun-filled events.

We are proud to assist children at the Stollery Children's Hospital and make their medical journeys just a little bit easier. The reality is that by supporting these cardiac kids you are helping them to live longer and fuller lives.

On behalf of the board of directors I wish you the best in 2017,
