

6th Annual Skate for Cardiac Kids Draws Generous Donations

What a great day! Close to 200 skaters, players, and donors supported Treasure Life at our 6th Annual Skate for Cardiac Kids. The Family Day skate and ringette game raised **\$5,000** for pediatric heart patients receiving treatment at **Stollery Children's Hospital, Royal Alexandra Hospital, and Misericordia Hospital**. Thank you to everyone who donated at our important community event. Special recognition goes out to Joe Bouchard and his generous staff at Banister Pipeline for raising **\$3,200!** Your committed support is greatly appreciated.

A big “thank you” goes out to our sponsors, **Tim Hortons** and **Boston Pizza** for providing free treats everyone enjoyed, as well as the **Town of Beaumont** for free ice time at the Ken Nichol Regional Recreation Centre.

This exciting annual event would not be possible without the help of our dedicated Treasure Life volunteers. Thank you for making our 2017 skate a tremendous success.
